Request for Special Bid Auction Agreement

Preview and Bidding:

Begins: 8:00am Monday February 3, 2025

Ends: 2:00pm Friday February 14, 2025

Please submit your Bid amount for the purchase of a **Mori Seiki Lathe located in the Aerospace and Mechanical Engineering building on the University of Arizona campus 1130 N Mountain Avenue. To view the Lathe please contact Joseph Hartley at 520-621-2598 or hartley2@arizona.edu to schedule an appointment between Monday – Friday 9:00am-3:00pm. The winning bidder will be responsible for all costs related to the removal and transportation of the lathe. Given the size of the lathe the winning bidder will likely need to hire riggers to remove the lathe. The University can provide contact information for a rigging company familiar with the University upon request. Any subcontractors hired by the successful bidder must hold and maintain insurance as outlined in the attached document. Current certificates of insurance must be submitted to the University Surplus Property office for approval prior to any work commencing.** This form must be used for the submission of your Bid. Bids received in our office after the date and time indicated below will not be accepted. Prior to the removal of the lathe, payment in full is required and then pickup arrangements can be made with Joseph Hartley. The Bidder must determine the condition of the sale items as the University of Arizona does not provide any warranty on said items. **All items are sold “as is, where is”.** The University of Arizona reserves the right to accept or reject all or any part of any Bid submitted in response to the Request for Special Bid.

The University of Arizona does not assume any responsibility for injury to anyone or damage to any property, which results from the removal of the property from University of Arizona premises, any future use, or the condition of any property sold in this Bid. All property purchased from the University of Arizona must be disposed of according to applicable laws. The Bidder named and signing below acknowledges that he/she understands this statement and shall indemnify and save harmless the State of Arizona, the Arizona Board of Regents and the University of Arizona, its officers, agents and employees from any and all claims, demands, suits, actions, proceeding, loss, cost and damages of every kind including attorney’s fees and/or litigation expenses, which may be brought or made against or incurred by the State of Arizona, the Arizona Board of Regents, the University of Arizona, its officers, agents and employees on account of loss of or damage to any property or for injuries to or death of any person, resulting from Bidder’s removal or use of the property arising out of performance of this Agreement. Bidder’s obligation under this Section shall not extend to any liability caused by sole negligence of the State of Arizona, the Arizona Board of Regents, the University of Arizona, or its officers, agents, and employees.

In case of a tie, a subsequent Bid Sale may be held between individuals tied for high Bid, or all Bids may be rejected at the discretion of the University. Any deviation from the provisions set forth herein could result in the disqualification of the Bid. Place Bid price in the space provided. All sales will have the applicable sales tax applied to Bid Award; unless the successful Bidder has a valid Resale License (a copy of the Resale License must accompany Bid). All items are sold “as is, where is” with no warranty or guarantee of any kind. Once the University of Arizona, Surplus Property Office receives payment, the successful Bidder is responsible for the removal of the awarded item(s). For sales totaling less than \$500 dollars a personal check, money order or credit card is acceptable. For sales totaling \$500 dollars or more, a cashier’s check, or credit card is required for payment. Cash payments will not be accepted.

The lathe is in the Aerospace and Mechanical Engineering building 1130 N Mountain Avenue. If you have any questions regarding the Special Bid process, contact Jeff Wilson at 520-621-3062, or email jrwilson@arizona.edu .
